

## The Easy Way to join a belt

***Splicing your Flat-Flex® belt will never be the same!***

- The EZSplice patented system makes joining or splicing your Flat-Flex Belts up to **20 TIMES FASTER!**
- Cuts replacement time, speeds repair time in a breakdown situation, and makes a tougher joint that will last up to twice as long as a standard full strand splice
- If you want to save money, improve maintenance efficiencies, significantly reduce downtime, and enhance safety on your shop floor... call and ask us about EZSplice

**EZSplice can have you back in production in minutes!**

***...Only from***  **wirebelt®**
